

## HOW TO BOOK YOUR COURSE WITH THE EAU ZONE

Terms and Conditions for students/divers wishing to enroll on any Eau Zone program.

1. Choose your course. If you are in any doubt about the course content or whether you meet the prerequisites please call or email us.
2. Call or email to check up-to-date availability on your chosen course dates.
3. All booking must be accompanied by a signed booking form and a £100 deposit per person (or the full cost of the course if less than £100).
4. Once a booking has been made you are committed. If you are in any doubt as to whether you will be able to make the dates we strongly suggest you take out insurance to cover cancellation.
5. Deposits are non-refundable. Cancellations made at least 4 weeks before the course will forfeit your deposit and any third party costs that you will have been made aware of prior to booking (e.g. boat fees, pool fees, holiday costs). If you cancel within 4 weeks you are liable for the whole amount outstanding at the time. The outstanding balance for training programs is payable at the start of the course.
6. You are responsible for your own transport to and from training locations. If you haven't got transport we will do our best to assist. If you share transport you will be expected to contribute to fuel costs.
7. You are responsible for entry fees to dive sites, boat fees etc if applicable.
8. Before the start of the course you will be required to sign PADI's safe diving standards, an understanding of liability and a medical questionnaire that will determine whether or not you need to have a medical by a doctor.
9. If necessary please get a medical before committing yourself to a course. A medical is valid for one year from the date it was signed & stamped.
10. You will need to read the course manual before the start of the course and complete all knowledge reviews. The theory section of the course will assume this knowledge as a starting point.
11. All equipment used on the course must be returned in the same condition. Any lost or damaged equipment must be paid for at the full retail price.
12. If required, additional training will be charged at £125 per day for group courses or £250 for private tuition.
13. No course can teach you everything about diving. You must know and understand the limitations of your dive qualification. Further training must be sought if you wish to extend these limits or dive in conditions that differ from those you were trained in.
14. We will do everything possible to ensure courses run on the date booked. However, we reserve the right to reschedule courses if circumstances arise which necessitate such action.

As many of our courses/dates are oversubscribed this booking form ensures that we don't turn away customers and then find ourselves with cancellations. We apologise to the majority of our customers who are very dependable.

**PLEASE READ CAREFULLY. YOU MUST UNDERSTAND THESE TERMS AND CONDITIONS FULLY BEFORE SIGNING THE BOOKING FORM.**
